campaign plans for kodachadri chit funds

1	**#ChitFundExplained Series:** Create a series of short animated videos or infographics explaining the concept of chit funds, the benefits of participating, and how KCPL's chit funds work. This will educate the audience and address any misconceptions about chit funds.
2	**Success Story Spotlight**: Highlight success stories of real customers who have benefitted from participating in KCPL's chit funds. Share their experiences, financial achievements, and how it positively impacted their lives.
3	**Financial Tips & Advice:** Run a weekly campaign offering financial tips and advice related to savings, investment, and smart money management.
4	**#KCPLTriviaChallenge:** Host a weekly trivia challenge related to finance, investment, or chit funds. Participants can answer questions in the comments, and the winners will receive small rewards or discounts on chit fund subscriptions.
5	**Chit Fund Myth-Busting**: Address common misconceptions or myths about chit funds through a dedicated campaign. Use creative visuals and clear explanations to debunk these myths.
6	**Webinar Series - Secure Your Future**: Organize a series of webinars featuring financial experts and KCPL representatives. Topics can include retirement planning, wealth creation, and securing a stable financial future through chit funds
