About Page

About Dr. Amit B

Dr. Amit B is a highly qualified and experienced urologist, holding an MBBS, MS, and MCh in Urology from the prestigious KEM Hospital, Mumbai. With a rich background in treating a wide range of urological conditions, Dr. Amit B has a proven track record of success in both medical and surgical approaches. He specializes in managing kidney stones, prostate enlargement, urinary difficulties, incontinence, urinary tract infections, erectile dysfunction, male infertility, and cancers of the urinary system and genital organs.

Dr. Amit B has performed over 2000 endourological surgeries, including advanced procedures such as URSL, PCNL, RIRS (LASER), TURP, and TFLEP (LASER PROSTATECTOMY). He is also skilled in surgeries like VIU, laparoscopic nephrectomy, anastomotic urethroplasty, buccal mucosal graft substitution urethroplasty, and pyeloplasty, achieving high success rates even in complex cases.

As a part of the transplant team at KEM Hospital, Mumbai, Dr. Amit B has extensive experience in live and cadaveric renal transplants. He continues to serve as a visiting consultant and renal transplant team member at Trustwell Hospital, Bengaluru.

Services Page
