Building Brand Presence for Nano Hospitals Uttarahalli: A Comprehensive Campaign Case Study by Sunrise Digital

Overview

Since opening in August 2022, Nano Hospitals' Uttarahalli branch has provided comprehensive multispecialty healthcare within the Nano Hospitals network. To increase brand awareness, engage patients, and drive service adoption, Sunrise Digital launched a targeted social media and digital marketing campaign across multiple platforms. This campaign has yielded significant reach, engagement, and conversions, contributing to the hospital's visibility and growing patient footfall.

Campaign Strategy and Highlights

Core Campaigns

1. **Initial Awareness Campaign for New Branch**

    - Introduced the Uttarahalli branch location and encouraged visits to build local brand awareness.
2. **Multispecialty OPD and Diagnostics Promotion**
    - Promoted a wide range of OPD and diagnostic services, reinforcing Nano Hospitals as a comprehensive healthcare provider.
3. **Nano Polyclinic & Diagnostics: Diabetic Foot & Wound Care Services**
    - Focused on diabetic foot and wound treatment awareness, driving attention to specialized care options.
4. **Low-Level Laser Therapy and Physiotherapy**
    - Showcased advanced physiotherapy options, such as laser therapy, attracting patients in need of specialized treatments.
5. **Quality Service Campaign for All Departments**
    - Reinforced the hospital's commitment to quality across all departments, enhancing trust with potential patients.
6. **World Diabetes Day**
    - Held free diabetes and diabetic foot screenings using the #CareForDiabeticFoot hashtag for targeted patient outreach.
7. **Customized Diabetic and Sports Footwear**
    - Promoted custom footwear solutions for diabetics and athletes, emphasizing health and comfort.
8. **Nano Hospitals Premier League**
    - Shared social media coverage of a hospital-hosted Premier League event, adding a community-oriented dimension to the brand.
9. **World Kidney Day**
    - Educated patients on kidney health with tips and treatment options, promoting kidney health awareness.
10. **OPD and Doctor Promotions: Nano'ean Series**
    - Profiled doctors and OPD services, increasing patient familiarity with the hospital's medical team.
11. **Radio City Business Titans Dubai Encore Awards Nomination**
    - Showcased Nano Hospitals' healthcare excellence nomination, boosting the hospital's prestige and brand recognition.
12. **First Anniversary Campaign**
    - Celebrated with a 50% discount on diagnostics and OPD services, thanking patients for their loyalty.
13. **Public Diabetic Health Camps**
    - Partnered with Sai Seva Raksha Foundation to host free diabetic health camps, expanding community outreach.
14. **Psoriasis Awareness and Treatment**
    - Raised awareness about psoriasis and shared accessible treatment options for the condition.
15. **World Heart Day – Heart Package Offer**
    - Encouraged preventive care by promoting a special heart health package.
16. **Times Health Excellence Award Promotion**
    - Celebrated Nano Hospitals' industry recognition to build credibility.
17. **Dialysis Center Promotion**
    - Publicized 24/7 dialysis services with affordable packages, focusing on kidney health support.
18. **Cancer Awareness Campaign**

    - Promoted early cancer detection and treatment options to encourage preventive health practices.
19. **First Anniversary OPD and Diagnostics Offer**
    - Commemorated one year in service with a 50% discount on OPD and diagnostic services.
20. **Health Awareness Campaigns on Key Dates**
    - Used special health days to spotlight related services, driving awareness on topics like diabetes, heart disease, and kidney health.
21. **Patient Success Stories and Doctor Video Bites**
    - Shared patient success stories and doctor insights, building trust with the hospital's patient community.

Notable Awareness Campaigns

Beyond regular campaigns, Sunrise Digital orchestrated seasonal and health-specific campaigns to address timely healthcare needs:

- **Seasonal Health Campaigns:** Targeted outreach during summer, monsoon, and dengue season with a focus on symptom prevention and service availability.
- **Covid-19 Awareness:** Provided updates and safety guidelines, establishing Nano Hospitals as a trusted information source.
- **Women's Health Campaigns:** Highlighted services for women, covering maternal care, gynecology, and preventive screenings.
- **Emergency Services Campaign:** Reaffirmed 24/7 emergency services, underlining the hospital's commitment to urgent healthcare.

Conclusion

Through a strategic, patient-centric approach, Sunrise Digital's campaigns have substantially boosted Nano Hospitals Uttarahalli's brand presence and patient engagement. Emphasis on multispecialty services, diabetic care, patient education, and community involvement has positioned Nano Hospitals as a trusted healthcare provider in Uttarahalli, demonstrated by high engagement rates, extensive reach, and consistent lead generation.
