SriPAA

45-DAY SEO PERFORMANCE GOALS

OVERALL 45-DAY OBJECTIVE (SMART-ALIGNED)

Within 45 days, strengthen SriPAA's **search visibility and engagement quality** by improving **keyword stability, organic traffic consistency, and content relevance**, so the website is **ready for ranking and lead acceleration over the next 90–120 days**.

🔹 FORTNIGHT 1 (DAY 1–15)

FOUNDATION & STABILITY

🎯 PERFORMANCE INTENT

Protect existing rankings and remove technical or intent-level friction.

SMART TARGETS (Day 1–15)

- Maintain **organic traffic ≥ 260 users/month** (no drop)
- Keep **average position ≤ 9**
- Reduce any indexing / duplication risks
- Page load time trending toward **≤4 seconds**

KEY ACTIONS

- Technical audit validation (indexing, mobile, speed)
- Keyword-to-page mapping refinement
- Optimise top 5 high-traffic pages (titles, H1s, intent clarity)
- Content plan locked for 4 SEO blogs

REVIEW QUESTIONS (DAY 15)

1. Have we protected existing Page-1 and Page-2 rankings?
2. Are impressions stable or improving?
3. Any technical or cannibalisation risks still open?

TEAM LEAD DECISION

- ❌ Do NOT add new keywords until stability is confirmed
- ✅ Lock priority keyword list for the next 30 days

🔹 **FORTNIGHT 2 (DAY 16–30)**

CONTENT & RELEVANCE PUSH

🎯 **PERFORMANCE INTENT**

Increase relevance and engagement depth for existing search demand.

SMART TARGETS (Day 30)

- **Organic traffic:** +10–15%
  → ~260 → **290–300**
- **Avg engagement time: 53s → 58–60s**
- **CTR:** 1.4% → **1.6–1.8%**
- Publish **2 SEO blogs** (consultation + treatment-focused)

KEY ACTIONS

- Publish 2 SEO-friendly blogs aligned to ranking queries
- Strengthen internal linking from high-traffic pages
- Improve meta descriptions for CTR optimisation
- Continue basic backlink creation (quality only)

REVIEW QUESTIONS (DAY 30)

1. Are impressions converting into more clicks?
2. Are blogs getting indexed and appearing for queries?
3. Is engagement time improving on key pages?

TEAM LEAD DECISION

- 🔁 Continue content themes showing CTR improvement
- ❌ Drop content formats not improving engagement

🔹 **FORTNIGHT 3 (DAY 31–45)**

MOMENTUM & READINESS

🎯 **PERFORMANCE INTENT**

Show early SEO momentum and prepare for next-phase growth.

SMART TARGETS (Day 45)

- **Organic traffic:** +15–20% vs baseline
  → ~260 → **310–320**
- **Avg engagement time: ≥60 seconds**
- **Avg position: 8.8 → 8.2–8.5**
- Publish remaining **2 SEO blogs**
- Maintain strong AI Overview presence

KEY ACTIONS

- Publish final 2 blogs
- Optimise pages showing ranking movement
- Strengthen backlink profile
- Prepare insight-based SEO report

REVIEW QUESTIONS (DAY 45)

1. Are rankings stable or improving for priority keywords?
2. Is organic traffic trend clearly upward?
3. Is the site ready for more aggressive SEO investment?
