TRUSCAN DIAGNOSTICS

45-DAY PERFORMANCE GOALS

Fortnight-wise Milestone Plan + Final KPIs

OBJECTIVE

Increase **local discovery, intent actions, and test-based search visibility** across **Social Media, YouTube, Google My Business (GMB), SEO, and Performance Marketing**.

FORTNIGHT 1 (DAY 1–15)

FOUNDATION & BASELINE CORRECTION

Focus: Fix leaks, set direction, prepare for scale

PERFORMANCE INTENT (Day 1–15)

Create a strong operational base so that visibility and performance gains in later phases are sustainable.

- **Social Media (Instagram + Facebook)**

15-Day Goal

- Stabilise reach drop
- Improve engagement structure (not volume)

Milestones

- Reach **+10–15%** vs last 30-day average
- Engagement rate stabilised (no further drop)
- Minimum **1 save/share CTA** added to every post
- Content themes finalised for diagnostic tests (MRI, CT, Blood Tests, etc.)

Review Check (Day 15)

- Is reach trend stabilised?
- Are saves & shares appearing consistently?

- **YouTube**

15-Day Goal
Prepare YouTube as a discovery support channel

Milestones

- Repurpose top-performing social videos into Shorts
- **+15–20% Shorts views**
- Baseline retention established (no decline from ~35%)

Review Check

- Shorts appearing in feed?
- Retention stable or improving?

- **Google My Business (GMB)**

15-Day Goal
Optimise GMB for intent actions

Milestones

- GMB profile fully optimised (categories, services, descriptions)
- Minimum **2 GMB posts per week**
- Calls & directions **+10–15%**

Review Check

- Are calls and directions trending upward?
- Is GMB content consistent?

- **SEO**

15-Day Goal
Fix technical & ranking blockers

Milestones

- Identify priority **6–8 diagnostic keywords**
- Resolve indexing / cannibalisation issues
- Page-2 keywords pushed closer to **positions 8–10**

Review Check

- Any ranking movement initiated?
- Indexing errors reduced?

Performance Marketing

15-Day Goal
Setup & test paid campaigns

Milestones

- Campaigns live with clear test-based targeting
- CPL benchmark established
- CTR baseline recorded

Review Check

- Ads delivering qualified traffic?

- No budget wastage?

FORTNIGHT 2 (DAY 16–30)

VISIBILITY & INTENT ACCELERATION

Focus: Push reach, discovery, and intent actions

PERFORMANCE INTENT (Day 16–30)

Convert foundation into measurable visibility and discovery gains.

Social Media

15-Day Goal
Expand local reach and engagement quality

Milestones

- Reach **+25–30%** vs baseline
- Engagement **+20–25%**
- At least **2 content formats outperform baseline**

Review Check

- Which formats are driving saves/shares?
- Is reach growing week-on-week?

YouTube

15-Day Goal
Improve discovery consistency

Milestones

- Total views **+25–30%**

- Shorts retention improved to **~40%**
- Search-based views **+20%**

Review Check

- Discovery steady or spike-dependent?
- Retention improving?

GMB

15-Day Goal
Increase high-intent actions

Milestones

- Calls **+20–25%**
- Direction requests **+25–30%**
- Website clicks **+25%**

Review Check

- Are users acting, not just viewing?
- Which posts drive actions?

SEO

15-Day Goal
Push ranking movement

Milestones

- **4–5 keywords** move up **3–5 positions**
- Organic clicks **+15–18%**
- Bounce rate trending downward (**<37%**)

Review Check

- Are non-brand queries increasing?
- Which pages show traction?

Performance Marketing

15-Day Goal
Optimise paid performance

Milestones

- CPL optimised to **≤ baseline**
- Conversion rate **≥18–20%**
- Poor-performing ads paused

Review Check

- Lead quality acceptable?
- Budget efficiency improving?

FORTNIGHT 3 (DAY 31–45)

OPTIMISATION & CONSOLIDATION

Focus: Lock gains, prepare next cycle

PERFORMANCE INTENT (Day 31–45)

Ensure results are stable, repeatable, and review-ready.

Social Media

15-Day Goal
Lock engagement + reach momentum

Milestones

- Reach **+35–50%** vs baseline
- Engagement **+35–50%**
- Clear top-performing content pattern identified

Review Check

- Can this scale next cycle?
- Are we getting meaningful engagement?

YouTube

15-Day Goal
Strengthen retention & search discovery

Milestones

- Views **+35–50%**
- Retention **42–45%**
- Shorts consistently driving discovery

GMB

15-Day Goal
Maximise local intent actions

Milestones

- Calls **+30–35%**
- Directions **+30–40%**
- Profile interactions **+35–45%**

SEO

15-Day Goal
Achieve visible ranking wins

Milestones

- **6–8 keywords** move up **5–10 positions**
- **2–3 keywords** reach **Page-1 proximity (positions 4–7)**
- Avg time on site **50–55 sec**

Performance Marketing

15-Day Goal
Stabilise paid channel ROI

Milestones

- CPL within target
- Conversion rate **≥20–25%**
- Clear **scale / pause** decision for next cycle

FINAL 45-DAY KPIs (COMBINED OUTCOME)

Social Media (Instagram + Facebook)

- Total Reach: **+35–50%**
- Total Engagement: **+35–50%**
- Saves & Shares: **+40–50%**
- Minimum **2 repeatable high-performing formats identified**

YouTube

- Total Views: **+35–50%**
- Shorts Views: **+40–50%**
- Average Retention: **42–45%**
- Discovery driven by **Shorts + Search**

Google My Business (GMB)

- Calls: **+30–35%**
- Direction Requests: **+30–40%**
- Profile Interactions: **+35–45%**
- Website Clicks: **+25–35%**

SEO

- Organic Clicks: **+20–28%**
- Non-brand Impressions: **+30–40%**
- 6–8 keywords improve **5–10 positions**
- Bounce Rate: **≤35%**
- Avg Time on Site: **50–55 sec**

Performance Marketing

- CPL: **Within or below baseline**
- Conversion Rate: **≥20–25%**
- Clear decision for **scaling next 90 days**

FINAL 45-DAY REVIEW QUESTION

“Have we improved TruScan’s local discovery, intent actions, and test-based visibility in a measurable and repeatable way?”

- **YES → Scale next 90 days**
- **NO → Course-correct using data**
