90-Day YouTube Growth Plan

Organic Mohan

Main Goal

Build a strong Kannada agriculture-focused digital media brand by creating educational, engaging, and community-driven content around farming, gardening, rural entrepreneurship, and organic awareness.

First 90 Days Focus

The first 3 months should focus on:

- Building audience trust
- Training the YouTube algorithm
- Maintaining content consistency
- Testing different content formats
- Increasing engagement
- Understanding audience behavior

Content Strategy

Weekly Posting Plan

- 2 Long-form YouTube videos
- 1–2 Shorts daily
- 3 Community posts weekly

Main Platforms

- YouTube
- Instagram Reels
- Facebook

Content Distribution

- 40% Educational content
- 30% Storytelling & success stories
- 20% Myth vs reality/debate content
- 10% Community engagement & fun content

Phase 1 — Foundation (Day 1–30)

Focus Areas

- Channel branding
- Thumbnail & logo setup
- SEO optimization

- Upload consistency
- Initial audience building

Target

- 8 long videos
- 40–60 Shorts

Phase 2 — Growth (Day 31–60)

Focus Areas

- Improve video hooks
- Increase audience retention
- Analyze performance metrics
- Build recurring content series
- Increase comments, shares & saves

Important

The first 5 seconds of the video are critical for retention.

Phase 3 — Scale (Day 61–90)

Focus Areas

- Repeat successful content formats
- Build audience funnel

- Start collaborations
- Generate leads
- Prepare monetization systems

Leads & Revenue

High-Performing Content Types

- Myth vs Reality
- Farmer income stories
- Before vs After transformations
- Soil health mistakes
- Gardening tutorials
- Organic farming awareness

Key Metrics To Track

- CTR (5–8% target)
- Watch time
- Audience retention
- Shares & saves
- Returning viewers
- Subscribers gained per video

Mistakes To Avoid

- Weak thumbnails
- Long intros
- Random content topics
- Inconsistent posting
- Copying competitors without originality

Weekly Workflow

Monday

Research & scripting

Tuesday

Shoot content

Wednesday

Editing & thumbnails

Thursday

Upload long-form video

Friday

Final Vision

Create a trusted Kannada agriculture knowledge platform that:

- Educates people
- Inspires rural youth
- Builds a strong community
- Creates sustainable digital revenue

Goal:

Build long-term authority in the agriculture and rural entrepreneurship space.
