WHO YOU SERVE — 4 Dream Client Segments

Segment 1 — SME Business Owners
Age 28 to 45. Revenue Rs. 50 Lakh to Rs. 10 Crore. Spending Rs. 20,000 to Rs. 2 Lakh per month on marketing with zero ROI from their current agency. Industries include Retail, Food and Beverage, Healthcare, Real Estate and Edtech. They want leads, calls and walk-ins — not just likes. Have tried boosting posts with no results.

Segment 2 — Marketing Managers
Age 25 to 38. Works as an in-house marketing head at a mid-size company. Needs to show ROI to their CEO. Industries include IT, FMCG, Healthcare and Education. Needs reports, dashboards and accountability. Budget is already approved — they just need to trust the right vendor.

Segment 3 — Political and Government Clients
Candidates, NGOs and government departments needing mass outreach, election campaign management and public awareness. Proven track record from Shivamogga 2019. Needs hyper-local targeting and a combination of WhatsApp, social media and outdoor advertising.

Segment 4 — Startups and D2C Brands
Age 22 to 35. Series A or bootstrapped. Wants fast growth, brand presence and performance funnels. Industries include food, lifestyle and apps. Needs funnels, creatives and ads all handled in one place. CakeZone-type clients.

WHERE TO FIND THEM
LinkedIn — Target by job title: Founder, CEO, Marketing Manager. Use Lead Gen Forms. Bangalore and Shivamogga radius targeting.
Instagram and Facebook — Lookalike audiences from past clients. Retarget website visitors. Use Reels with case study hooks.
Google Search — Capture high-intent buyers. Keywords: digital marketing agency Bangalore, lead generation agency, performance marketing Bangalore.
WhatsApp and Referrals — Build a referral chain from happy clients. WhatsApp broadcast list for nurturing. Create a WhatsApp Business catalog of services.

CORE VALUES
ROI First, Always — Every rupee spent must return more. No vanity metrics — only leads, enquiries and revenue growth.

Strategy Before Creativity — Beautiful creatives without strategy are expensive decorations. Build funnels that convert, then make them beautiful.
Local Expertise, Global Standards — Deep understanding of Bangalore and Karnataka markets. Kannada, Hindi and English multi-language campaigns.
Full-Funnel Ownership — Not just ads. The entire funnel — landing page, lead magnet, follow-up sequences and CRM integration. End to end.

THE 7-STEP SOCIAL MEDIA FUNNEL

Step 1 — Traffic
Run a paid ad or organic post on Instagram, Facebook or LinkedIn. Hook in the first 3 seconds with a problem-aware headline like "Still paying for ads that bring zero calls?" Link goes directly to the landing page. Use video testimonials and before-and-after lead counts.

Step 2 — Landing Page
One offer. One action. No distractions. Headline is the Big Promise. Sub-headline explains how you deliver it. Form captures only Name, Phone and WhatsApp number. CTA is "Claim My Free Audit" or "Send Me the Guide." No menu, no footer links, nothing to click except the form.

Step 3 — Thank You Page with Hidden Offer
Confirm the booking and immediately upsell. Message: "Your audit is booked! While you wait — most businesses who get our audit also grab our Rs. 999 Social Media Starter Pack to fix quick wins before the call." This is OTO 1.

Step 4 — WhatsApp and Email Soap Opera Sequence
5 messages over 7 days.
Day 1 — Deliver the lead magnet.
Day 2 — Your story. How Sunrise was built.
Day 3 — Case study. CakeZone or hospital results.
Day 4 — Common mistake post.
Day 5 — Direct offer with urgency.

Step 5 — Sales and Discovery Call
Listen 80 percent, talk 20 percent. Ask: What is your current ad spend? How many leads per month? What is your dream outcome in 90 days? Then present the tailored solution. Never pitch before you diagnose.

Step 6 — Proposal and Close
Send a value-stacked proposal within 24 hours. Use the Value Ladder close. Present the Rs. 15,000 per month Starter Package as the anchor. Present the Rs. 35,000 per month Growth Package as recommended. Present the Rs. 75,000 plus Full-Funnel Package as aspirational. Most clients choose the middle option.

Step 7 — Ascension and Referral
After 60 days of results — upsell to the next service tier. Ask for a testimonial video. Offer a 10 percent referral commission. Turn every happy client into a sales rep.
