AREAS FOR IMPROVEMENT

Where We Can Do Better

Increase Engagement Rate

Use more interactive formats — reels, polls, and educational videos.

Improve Video Performance

Increase short-form video frequency and optimize video hooks for better watch time and retention.

Strengthen Audience Conversion

Add stronger Calls-to-Action (CTAs) across social media and GMB to increase website visits and inquiries.

NEXT PHASE

Strategic Focus Areas

Content Strategy

Increase educational content. Publish more short-form videos. Maintain consistent posting frequency.

YouTube Growth

Improve Shorts consistency. Focus on audience retention and subscriber growth.

GMB Optimization

Encourage customer reviews. Increase website traffic through optimized CTAs. Improve local search visibility.

Client-Side Support

Regular updates on hospital events, doctors, and patient success stories. Support in collecting patient testimonials and Google reviews.
