AREAS FOR IMPROVEMENT

Opportunities to Strengthen Performance

Content Consistency

Maintain a consistent publishing schedule to improve reach and audience retention across all platforms.

Video Engagement

Increase the frequency of short-form videos and educational content to improve watch time and overall engagement.

SUMMARY: BREAKTHROUGH, NOT BREAKDOWN AND NEXT-PHASE

Consistent Digital Growth — What's Next

This period reflects steady digital performance driven by organic reach, consistent content publishing, and growing audience engagement across social media, YouTube, and Google Business Profile.

Next-Phase Focus

- Publish more educational, case study, and digital marketing trend-based content with strong CTAs
- Increase consistency of YouTube Shorts and long-form educational videos to improve watch time and subscriber growth

Client-Side Support Needed

- Regular updates on client success stories, case studies, and completed projects
- Sharing of new service offerings, achievements, and company announcements
- Testimonials, client feedback, and portfolio updates
- Coordination for team activities and event coverage
