Organic Growth Activities (More Important Than Posting)

Posting alone won't drive follower growth. Spend 20–30 minutes daily on engagement.

Founder/Team Engagement

- Comment thoughtfully on 10–15 relevant LinkedIn posts each day.
- Reply to every comment on SkillTern's posts within 24 hours.
- Share company posts with personal perspectives.

Employee Advocacy

Encourage mentors, employees, and interns to:

- Like and comment within the first hour of each post.
- Repost important announcements with a personal caption.

Community Interaction

Regularly engage with:

- College pages
- Placement cells
- Career coaches
- HR professionals
- Industry leaders
- Students

Meaningful comments increase visibility beyond your own followers.

Profile Optimization

Ensure the LinkedIn page includes:

- Professional banner highlighting internships, mentorship, and placement support
- Clear tagline (e.g., "Industry-Integrated Learning | Paid Internships | Career-Focused Programs")
- Complete About section with relevant keywords
- Updated website and contact details

A strong profile helps convert visitors into followers.

Hashtag Strategy

Use 3–5 hashtags consistently per post.

Branded:

- #SkillTernEducation
- #LearnInternWin

Industry:

- #CareerGrowth
- #Internship
- #DigitalMarketing
- #ArtificialIntelligence
- #HigherEducation

- #StudentSuccess

Engagement Checklist for Every Post

- Strong first line (hook)
- Clear visual or carousel
- Ends with one question to encourage comments
- Reply to all comments within 24 hours
- Share the post from founders' and employees' profiles
- Encourage partners and mentors to engage
