Next Month Priority Actions

01	**Scale doctor-led Reels**	Continue the doctor/expert-led video format that generated the highest Instagram view volumes.
02	**Strengthen organic discovery**	Use stronger hooks, searchable captions, relevant keywords and consistent content themes to support organic views.
03	**Convert reach into action**	Maintain clear CTAs for profile visits, link clicks, calls and appointment enquiries.
04	**Build YouTube search visibility**	Continue search-focused titles, descriptions, thumbnails and Shorts strategy, especially around high-intent skin and hair topics in YouTube.
05	**Maintain GMB momentum**	Continue regular profile activity and local-service content to sustain calls and direction requests.
06	**Track individual content**	Record each doctor video by date, platform, views, reach, interactions, clicks and follower impact for clearer content-level optimization.
